DETAILED ACTION

Applicant's are hereby reminded of the formal drawing requirement mailed out on 8/18/03.

Response to Arguments

Applicant's arguments with regards to claims 25 – 44 are persuasive in that the electronic information distribution means overcomes the art of record, as a result, claims 24 – 44 are allowable over the prior art of record.

With regards to claims 45 – 56, which were not amended, Applicant's argue on page 14 of the response, that Gutenson fails to disclose the claimed "information distribution means". It is noted that that the since claims 45 – 56 do not recite a information distribution means, Applicant's arguments are not persuasive.

The previous rejection of claims 45 – 56 are hereby incorporated by reference and are not reiterated in this office action. The status of the claims are as follows:

Allowed claims: 25 – 44

Rejected claims: 45 – 56
